How to Write a Restaurant Employee Manual
In the simplest terms, an employee handbook is a document that explains who you are as a restaurant, how you function and what you expect from your new hires. It can also be used by employees as a reference point throughout their time working at your restaurant. It can go by different names, such as an employee manual or staff handbook. (Or, you can always come up with a unique title for yours — be as creative as you like!)
