Rock Breaks Scissors is billed as a "practical guide to outguessing and outwitting almost everybody". Sounds fun? It was, mostly. This book covers so much ground, from tennis to the Oscars to (you guessed it) rock paper scissors. This is both good and bad, since covering everything means you have less time for the specifics.

A player who decides to play rock will beat another player who has chosen scissors ("rock crushes scissors" or sometimes "blunts scissors"), but will lose to one who has played paper ("paper covers rock"); a play of paper will lose to a play of scissors ("scissors cuts paper"). If both players choose the same shape, the game is tied and is usually immediately replayed to break the tie.
