St. Ignatius of Loyola was a man without any great pretensions to education at the time he wrote this book. His native language was not Spanish, but Basque. His lack of education and his imperfect acquaintance with pure Spanish are enough to make it clear that a refined use of any language, and more especially of the Spanish, or, in general, anything like a finished or even perfectly correct, style is not to be expected in his work. Literary defects he removed to some extent, perhaps, as he continued to use and apply the book, but he is known never to have been fearful of such faults. His corrections found in this text are clearly made with a view to precision more than to anything else. Aeterna Press

The presence of the Catholic Church in the United States reaches back to the founding days of our country through the leadership of Archbishop John Carroll, the first Catholic bishop in the United States. His story like the stories at the start of each chapter in the United States Catholic Catechism for Adults give us a glimpse into the lives of Catholics who lived out their faith throughout our country's history. Each chapter in the Catechism for Adults includes stories, doctrine, reflection, quotations, discussion questions, and prayer to lead the reader to a deepening faith. The Catechism for Adults is an excellent resource for preparation of catechumens in the Rite of Christian Initiation of Adults and for ongoing catechesis of adults.
