Pattern yourself after the very best people in your field. Do what they do. Keep yourself positive, cheerful and goal oriented. Sales success is 80 percent attitude and only 20 percent aptitude. Combine the dual qualities of empathy and ambition in every sales relationship. No other book can come close to the expertise captured in Brian Tracy's Great Little Book on Successful Selling. You will be delighted by Brian's common sense and realistic, fresh approach to selling.

This accessible handbook discusses how memory works, how it changes with age, and—most importantly—how it can be improved. The authors provide helpful tools for understanding and improving memory, including sixteen techniques and exercises. The book explains why people remember what they do, what kind of effort remembering requires, and various conditions that can affect anyone's memory—such as stress, illness, and depression. Completely updated and reorganized, the third edition is more useful to readers, most of whom will see immediate improvement in their memory after just one use.
