Scent of Magic is the second book in Maria V. Snyders Healer series, and I devoured it in no time at all. As soon as I was finished with Touch of Power, I jumped in and I was unwilling to put it down until I knew how things developed. With Scent of Magic, the world we were introduced to in the first book develops in interesting way.

The characters were amazing, the plot was stunning, the romance was smoky. Perfect! I just have to say that I love book 1 a lot more than Scent of Magic. Book 2 left me a little disappointed. Scent of Magic starts off right where T.O.P. left off, when a Peace Lily saves Avry from almost certain death.
