“Seedfolks” by Paul Fleischman is a short novel about a vacant lot which connected a community. I wouldn't recommend that story to other readers. The story focused on new characters in separated chapters. The author didn't repeat the previous characters. There is also no ending about how the community was connected.

SEEDFOLKS . now available for the . school stage . Schools can now perform Seedfolks as well as read it. My school-friendly adaptation is large-cast (11 males, 12 females minimum), single-set, and well-supplied with female and nonspeaking roles. It's one-act, technically simple, and at 40 minutes fits into a single class period.
