Shipping Container Home Made Easy

Our shipping container home is still very new and we have plans to add a 20-foot shipping container as a bathroom/laundry room. I would recommend that you do thorough research before starting so you know what's involved. It can be very time consuming and you can run into problems if you don't prepare and plan well in advance.

DIY Container Home for under \$10K - Discover Containers

The cool part of shipping container homes is that they are considered 'modular' homes, and not 'mobile homes, and they already come on a permanent foundation, the skirt. If your building codes require that the home be set up on a permanent foundation then a simple 10'x22'x4" thk concrete pad will do you just fine.
