Green Books—Six Steps Back to the Land

In Six Steps Back to the Land , he explains how we can achieve that, and have truly sustainable, resilient and productive farms, looking at: why we need to rethink our approach to farming; how we can move to low-input mixed farms; how tightly-integrated farms employ many skilled people; dealing with the practicalities of this form of farming in today's world; and how we can get involved. Six ...

Six Steps Back to the Land—Colin Tudge (author)—

Colin's book Six Steps Back to the Land is his passionate manifesto for achieving 'Enlightened Agriculture', a phrase he coined to describe agriculture that is "expressly designed to provide everyone, everywhere, with food of the highest standard, nutritionally and gastronomically, without wrecking the rest of the world."
