Customer Care provides a detailed course suitable for delivery to library staff at all levels. It can be used as a stand-alone reference work for customer care processes and procedures or, alternatively, it can be used by library staff to tailor a customer care course to suit the requirements and training needs of their own staff. Dual use - reference work and/or training manual Potential as a text book Applicable to a wider context than LIS - could be used for a whole HEI institutional approach to customer care or in local authorities/public services

This accessible, interactive resource book encourages front-line staff working with dementia sufferers in nursing and residential settings to examine their working practice and modify it to where appropriate to meet best practice guidelines. Packed with photocopiable training exercises, discussion points and questions to prompt care workers to reflect on their style of work, this practical training manual also provides a framework for care work in line with statutory requirements and national training standards. It can be used as a self-training guide by carers, who can work through it at their own pace or under the supervision of a colleague, or by trainers running structured courses on good practice in dementia care. It is also suitable for use as a quick reference in daily practice. This comprehensive resource will provide useful guidance for all staff working face-to-face with people with dementia, whether in nursing, day-care or residential settings.

The importance of improving and maintaining employees' psychological health is now widely recognized by occupational health researchers and practitioners, business leaders, human resource professionals, and policy makers alike. Indeed, a growing body of research has established that psychological well-being is one of the most important factors in job performance. The Mindful and Effective Employee offers an evidence-based workplace training program based on acceptance and commitment therapy (ACT). The program is specifically designed to improve employees' psychological health-as well as their effectiveness at work and in their personal lives-through a combination of mindfulness and values-guided behavioral skills. This book is designed for use by psychologists, coaches, occupational health practitioners, and human resource professionals who are interested in improving employee well-being, performance, and quality of life. The training program described in this book is designed to:

- Promote employee self-awareness
- Help employees find purpose, direction, and meaning
- Offer new ways to improve work and life effectiveness
- Help employees identify and pursue valued goals and actions

Whether you are a new restaurant or an existing restaurant, the restaurant training manual will be the perfect guide to train your management and staff members. This guide covers all aspects of restaurant management and operations. This training manual goes into detail on how to provide top notch customer service, kitchen and food preparation, tracking inventory and sales, managing food and labor cost, how to be prepared for emergencies and daily restaurant operations. Use different sections in this manual to train cooks, prep cooks, dishwashers, servers, greeters, bartenders and barbacks. We recommend using the entire manual to train managers since they need to know all the areas in the restaurant.The information in this manual has been used in many successful restaurants. The material in this manual was created by individuals who worked in the restaurant industry and know how to create a thriving business with exceptional customer service.The manual includes the following management topics:* Orientation * Sexual Harassment * Open Door Policy * Minor Laws * What Makes a Great Manager?* Manager Job Description * Hiring and Termination Procedures * Interviewing and Hiring Process * Application and Hiring * Do's and Don'ts of Hiring * Interviewing Process * Suspending/Terminating Employees * The Manager's Walk-through and Figure Eights * Opening/Closing Manager Responsibilities * Closing Manager Responsibilities * Restaurant Pre-Shift Alley Rally * Call Outs * Communication Skills * How to Read Body Language * The Customer's Eyes * How to Prevent Guest Complaints * Guest Recovery * Restaurant Safety * Flow of Food * Food Safety & Allergens * Time & Temperature * Food Borne Illness * Cash Procedures & Bank Deposits * Manager Computer Functions * Bookkeeping * Management Cash Register Audits * Management Safe Fund Audits * Management Perpetual Inventory Audit * Labor and Food Cost Awareness * Food Cost Awareness & Inventory * Food Cost Awareness & Theft * Food Cost Awareness & Preventive Measures * Restaurant Prime Cost * Restaurant Emergency Procedures * Refrigerator Units / Freezer Units Procedures * Robberies * Fires * Responsibility of Owner/Employer

Training Manual for Behavior Technicians Working with Individuals with Autism is a practical manual and ongoing professional resource for frontline staff undergoing training to become Registered Behavior Technicians™ (RBT). RBT™ is the recommended certification of the Behavior Analyst Certification Board™ (BACB) for entry-level staff who implement behavior analytic services. This Manual complements the 40-hour training for RBTs™ and helps those who have completed training prepare for their certification exam. Following the RBT™ Task List set forth by the BACB, it prompts the reader to generate novel examples of mastered concepts, and real-life vignettes. Training Manual for Behavior Technicians Working with Individuals with Autism also:

- Details the fundamentals of measurement and data collection
- Introduces assessments of both behavior and environment
- Explains skills acquisition and related teaching procedures
- Covers behavior reduction plans
- Includes documentation and planning information
- Looks at ethics and professional conduct
