Easter Island discovery: Experts unravel mystery of ...
The Easter Island, known initially as Rapa Nui, is situated in the Southeast Pacific and is famous for its carvings. The statues take the form of human nature, and are known by the natives as "moai." History has it that the sculptures were made from 1000 C.E. By the time the century was halfway; the inhabitants had curved and erected 887 moai.

What Are the Moai Statues of Easter Island?
Print. Rapa Nui (or Easter Island , as it is commonly known) is home to the enigmatic Moai, stone monoliths that have stood watch over the island landscape for hundreds of years. Their existence is a marvel of human ingenuity -- and their meaning a source of some mystery. Ancient Rapanui carvers worked at the behest of the elite ruling class to carve nearly 1,000 Moai because they, and the community at large, believed the statues capable of producing agricultural fertility and thereby ...
