with poets through his own contemplative verse. Altogether, The Contemplative Pastor is a good read that I highly recommend for pastors, church leaders, or anyone who seeks to live a deeply spiritual life of service. It may frustrate or confuse you at times, but it will most definitely stretch you, nourish your soul, and give you incredible food

~~Review of The Contemplative Pastor — Isaac Hopper~~

In her sermon, "The Contemplative Pastor," Rev. Pennington-Russell encouraged us to nurture our spirits with mindfulness meditation. She said that after pastoring four churches for a total of 32 years, "contemplative practices are saving" her "daily."

~~Rev. Julie Pennington-Russell: "The Contemplative Pastor ...~~

In The Contemplative Pastor: Returning to the Art of Spiritual Direction, Eugene Peterson provides the reader with a spectacular vision of what pastoral ministry might look like for a local parish that is willing to embrace the implications of having a "contemplative" pastor. Clergy who enter parish ministry directly from seminary run the risk of experiencing immediate conflict between the pastoral model they were formed in and the realities of contemporary parish life.

~~The Contemplative Pastor — Eugene Peterson — Eerdmans~~

<i>Peterson, who has been gaining a growing reputation as a "pastor's pastor", speaks words of wisdom and refreshment for pastors caught in the busy-ness of preaching, teaching, and "running the church". Chapters include poetic reflections on the Beatitudes, advice on spiritual direction "between Sundays", and the language of prayer.</i>
---

Any pastor who needs and wants to get back to basics will do well to absorb this book. Eugene Peterson, well known as "a pastor's pastor," here speaks words of wisdom and refreshment for pastors caught in the busyness of preaching, teaching, and "running the church." In The Contemplative Pastor Peterson highlights the often-overlooked essentials of ministry, first by redefining the meaning of pastor through three strengthening adjectives: unbusy, subversive, andapocalyptic. The main part of the book focuses on pastoral ministry and spiritual direction "between Sundays": these chapters begin with poetic reflections on the Beatitudes and then discuss such themes as curing souls, praying with eyes open, the language of prayer, the ministry of small talk, and sabbatical--all with engaging, illustrative anecdotes from Peterson's own experience. The book ends with several meaning-full poems that pivot on the incarnation, the doctrine closest to pastoral work. Entitled "The Word Made Fresh," this concluding section is a felicitous finale to Peterson's discerning, down-to-earth reflections on the art of pastoring.

Eugene Peterson issues a provocative call for pastors to abandon their preoccupation with image and standing, administration, success, and economic viability, and to return to the three basic acts critical to the pastoral ministry: praying, reading Scripture, and giving spiritual direction.

The Caring Ministry program was developed by the Pastoral Care Team at St. John as Episcopal Cathedral in Denver, Colorado, to train lay people in basic pastoral skills. Its premise is that there is no better way to cultivate a receptive posture toward others than by practicing listening to God. The Caring Ministry Approach thus combines basic pastoral skills and guidelines along with an emphasis on being grounded in prayer. It invites both clergy and lay ministers to deepen the well of relationship with God as a means to developing a caring, listening heart. The text weds expertise with reflection and draws up the rich stories and lessons from scripture that add the spark of wisdom and grace to psychological programs. It is particularly suited for use in church-based pastoral care programs.

Examines how five books of the Old Testament provide direction for pastoral work. Focuses on the work of prayer-directing, story-making, pain-sharing, nay-saying, and community-building.

In The Pastor, author Eugene Peterson, translator of the multimillion-selling The Message, tells the story of how he started Christ Our King Presbyterian Church in Bel Air, Maryland and his gradual discovery of what it really means to be a pastor. Steering away from abstractions, Peterson challenges conventional wisdom regarding church marketing, mega pastors, and the church's too-cozy relationship to American glitz and consumerism to present a simple, faith-based description of what being a minister means today. In the end, Peterson discovers that being a pastor boils down to "paying attention and calling attention to 'what is going on now' between men and women, with each other and with God."

In this book Peterson clarifies the pastoral vocation by turning to the book of Jonah, in which he finds a captivating, subversive story that can help pastors recover their "vocational holiness". Peterson probes the spiritual dimensions of the pastoral calling and seeks to reclaim the ground taken over by those who are trying to enlist pastors in religious careers.

"Contemplative Youth Ministry is refreshing rain for dry youth workers and barren youth ministries. More than the same old youth ministry tips and tricks, it gives principles and practices to soak in God's grace, love, and power. I wish I had read it 15 years ago." - Kara Powell, Ph.D., executive director, Center for Youth Ministry and Family Ministry, Fuller Theological Seminary
"Mark invites readers to be encountered by the presence of Jesus who is always near. This book is transparent about the challenges that churches and families face as they desire to be effective in youth ministry. The book is filled with the honest stories of different kinds of youth ministries representing the breadth of Christianity in the United States. I heartily endorse Contemplative Youth Ministry as a rich encounter with the souls of youth and adults whose lives have been transformed by our very present God." - Bill Kees, director of youth ministries, Evangelical Lutheran Church in America (ELCA)
"Mark Yaconelli not only reminds us of some of the long-forgotten pathways of faith, he shares with us how it actually looks when men and women who love God practice it with young people. I especially appreciate Mark's optimism in his perspective of today's kids, for his insights are grounded in God's view of them." - Chap Clark, Ph.D., associate professor of youth, family, and culture, Fuller Theological Seminary
"Mark Yaconelli was experimenting with contemplative youth ministry praactices before contemplative youth ministry practices became cool. This book has about it the unique air of authenticity. He shares with us in these pages his own journey as a youth worker who actually believes that God's still small voice speaks louder than the roaring windstorm of our busy youth ministry calendars. It's a book about creating for our students places of silence and opening up spaces for God to speak." - Duffy Robbins, professor of youth ministry, Eastern University; author of Enjoy the Silence and This Way to Youth Ministry
"Mark Yaconelli has emerged as one of youth ministry's most provocative 'voices in the wilderness,' calling us back to our theological taproots: The contemplative practices that bind our lives to the life of Christ. If Mark's research has taught us anything, it's that these practices do not cause youth ministry to take fl ight into a spiritual never-never land; rather they anchor young people—and their churches—in the fertile soil of Christian tradition, in the nitty-gritty of daily life, and in the explosive transformation that awaits us when we wait upon God." - Kenda Creasy Dean, parent, pastor, and professor of youth, Princeton Theological Seminary; author of Practicing Passion: Youth and the Quest for a Passionate Church

The renowned Christian pastor and author of The Message and Run with Horses shares his spirituality in a very personal collection of poetry. Eugene H. Peterson had long been known as a pastor, professor, and provocateur. With his first-ever collection of verse, Peterson became known as a poet, too. Holy Luck emerged over many years, initially as individual poems sent to family, friends, and church congregations. Now, the translator of the bestselling Bible paraphrase The Message has collected his poems into three thematic sections of verses—on the Beatitudes, the kingdom of God in the ordinary, and following Jesus everyday—here released as one transcendent volume.

This essential authorized biography of Eugene Peterson offers unique insights into the experiences and spiritual convictions of the iconic American pastor and beloved translator of The Message. "In the time of a generation-wide breakdown in trust with leaders in every sphere of society, Eugene's quiet life of deep integrity and gospel purpose is a bright light against a dark backdrop."—John Mark Comer, author of The Ruthless Elimination of Hurry
"This hunger for something radical—something so true that it burned in his bones—was a constant in Eugene's life. His longing for God ignited a ferocity in his soul." Encounter the multifaceted life of one of the most influential and creative pastors of the past half century with unforgettable stories of Eugene's lifelong devotion to his craft and love of language, the influences and experiences that shaped his unquenchable faith, the inspiration for his decision to translate The Message, and his success and struggles as a pastor, husband, and father. Author Winn Collier was given exclusive access to Eugene and his materials for the production of this landmark work. Drawing from his friendship and expansive view of Peterson's life, Collier offers an intimate, beautiful, and earthy look into a remarkable life. For Eugene, the gifts of life were inexhaustible: the glint of fading light over the lake, a kiss from Jan, a good joke, a bowl of butter pecan ice cream. As you enter into his story, you'll find yourself doing the same—noticing how the most ordinary things shimmer with a new and unexpected beauty.
