A Lean office has minimal WIP. A major goal of Lean is reducing or eliminating work-in-process. It speeds up lead time, reduces inconsistency in the customer experience, and eliminates a major source of waste. A Lean office strives for flow. Flow is one of those concepts that you'll know when you see. In short, it is the art of being able to have work move start to finish by the shortest means possible, all without stopping to wait in a queue.
