The Mayor of Castro Street: The Life and Times of Harvey ...

When Randy Shilts's The Mayor of Castro Street appeared in 1982, the very idea of a gay political biography was brand-new. While biographies of literary and artistic figures (both living and dead) were a popular genre, there had been no openly gay political figure who merited a full-length book. Harvey Milk--a gay political organizer who became the first openly gay city supervisor in San ...

This biography of Harvey Milk, the first openly gay city official in the nation, recounts his public and personal life and examines the emergence of the San Francisco gay community as a social and political force

Interviews with more than one thousand gay servicepeople highlight a definitive investigation into the presence and treatment of homosexuals in the military. By the author of And the Band Played On. Reprint. 15,000 first printing.

Harvey Milk—eloquent, charismatic, and a smart-aleck—was elected to the San Francisco Board of Supervisors in 1977, but he had not even served a full year in office when he was shot by a homophobic fellow supervisor. Milk ' s assassination at the age of forty-eight made him the most famous gay man in modern history; twenty years later Time magazine included him on its list of the hundred most influential individuals of the twentieth century. Before finding his calling as a politician, however, Harvey variously tried being a schoolteacher, a securities analyst on Wall Street, a supporter of Barry Goldwater, a Broadway theater assistant, a bead-wearing hippie, the operator of a camera store and organizer of the local business community in San Francisco. He rejected Judaism as a religion, but he was deeply influenced by the cultural values of his Jewish upbringing and his understanding of anti-Semitism and the Holocaust. His early influences and his many personal and professional experiences finally came together when he decided to run for elective office as the forceful champion of gays, racial minorities, women, working people, the disabled, and senior citizens. In his last five years, he focused all of his tremendous energy on becoming a successful public figure with a distinct political voice.

The story of Harvey Milk, the San Francisco gay rights activist who was murdered in 1978.

Thirty-nine chronologically arranged interviews spanning Milk's political career from his first days as a candidate to shortly before his assassination.

The Plunge To Power In A Shallow Pool "Princess Lee Lee's recount of the roaring 70's in San Francisco flies off the page and into the outer spaces of your mind, expanding the meaning of what it's like to live life on the razor edge of insanity, daring us all to realize our Greatest Expectations! Wait until you find out who really is your benefactor. The Princess tells it like it was at the Hula Palace and City Hall. Starting at the epicenter, Castro and 19th Street, Le Roy holds her finger on the pulse beat of the party. Don't miss your chance to read all about it." -Iory Allison, author of the Glamour Galore Trilogy

The definitive account of the Stonewall Riots, the first gay rights march, and the LGBTQ activists at the center of the movement. “ Martin Duberman is a national treasure. ” —Masha Gessen, The New Yorker On June 28, 1969, the Stonewall Inn, a gay bar in New York's Greenwich Village, was raided by police. But instead of responding with the typical compliance the NYPD expected, patrons and a growing crowd decided to fight back. The five days of rioting that ensued changed forever the face of gay and lesbian life. In Stonewall, renowned historian and activist Martin Duberman tells the full story of this pivotal moment in history. With riveting narrative skill, he re-creates those revolutionary, sweltering nights in vivid detail through the lives of six people who were drawn into the struggle for LGBTQ rights. Their stories combine to form an unforgettable portrait of the repression that led up to the riots, which culminates when they triumphantly participate in the first gay rights march of 1970, the roots of today's pride marches. Fifty years after the riots, Stonewall remains a rare work that evokes with a human touch an event in history that still profoundly affects life today.
