Read Book The Secret War With Iran The 30 Year Clandestine Struggle Against The Worlds Most Dangerous Terrorist Power Secret War Wiran

For twenty-six years, Iran has waged an international terrorist war while the intelligence services of the West, led by Mossad and the CIA, have waged a relentless, mostly clandestine counter-jihad in return. Though Iran has become a quietly looming threat, little has been revealed about this intelligence-based war. Now, Ronen Bergman, Israel's leading reporter and analyst of intelligence affairs, has written a full account of this secret war. He connected the dots of the long history of Iranian backed terrorist attacks, and revealed for the first time many classified operations against the Iranian terrorist network, including details about collaborations between Israel's Mossad and the CIA and FBI; thrilling Mossad operations, the successful recruitment of top insiders of Iranian intelligence, who have disclosed a wealth of information about Iran's nuclear program as well as its terrorist activities; and the use of ultra-sophisticated surveillance equipment to penetrate and damage Iranian targets. From the Iranian proxy Hizbollah's planning of terrorists attacks from apartments in New York City, to Iran's training of an army of work Iraqi insurgents in the techniques of suicide bombing and the making of improvised explosive devises, he showed Iran has steadily waged war against the West.

The shocking failure of Israel and the West to suppress Iran despite thirty-years' secret struggle While many now fear a looming war with Iran, few know that this war is already raging and has been doing so for the past three decades. Starting from the aftermath of the Iranian revolution, intelligence expert Ronen Bergman details the complex array of political manoeuvring, assassination attempts, arms trading, and suicide bombs that have characterised the secret war between Iran and the intelligence services of Israel and the United States. Drawing on interviews with a plethora of intelligence agents from all sides, this is a riveting exploration of the growing influence of Iran in the Middle East, and the covert activities of the CIA and Mossad to tackle Iran and its political ambitions.

Reveals the covert operations that have brought the United States and Iran to the brink of open war, including Iran's proposal for peace after 9/11, which was rejected by President Bush, and Iran's secret army in post-U.S. invasion Iraq.

From Qasem Soleimani to the nuclear deal, a deeply reported exploration of Iran's decades-long power struggle with the United States—in the tradition of Steve Coll's *Ghost Wars* and Lawrence Wright's *The Looming Tower* “A front-row view of the spy games, assassinations, political intrigue and high-stakes diplomacy that have defined relations with one of America's most cunning and dangerous foes.”—Joby Warrick, Pulitzer Prize-winning author of *Black Flags: The Rise of ISIS* For more than a decade, the United States has been engaged in a war with Iran as momentous as any other in the Middle East—a war all the more significant as it has largely been hidden from public view. Through a combination of economic sanctions, global diplomacy, and intelligence work, successive U.S. administrations have struggled to contain Iran's aspirations to become a nuclear power and dominate the region—what many view as the most serious threat to peace in the Middle East. Meanwhile, Iran has used regional instability to its advantage to undermine America's interests. *The Iran Wars* is an absorbing account of a battle waged on many levels—military, financial, and covert. Jay Solomon's book is the product of extensive in-depth reporting and interviews with all the key players in the conflict—from high-ranking Iranian officials to Secretary of State John Kerry and his negotiating team. With a reporter's masterly investigative eye and the narrative dexterity of a great historian, Solomon shows how Iran's nuclear

Read Book The Secret War With Iran The 30 Year Clandestine Struggle Against The Worlds Most Dangerous Terrorist Power Secret War Wiran

development went unnoticed for years by the international community only to become its top security concern. He catalogs the blunders of both the Bush and Obama administrations as they grappled with how to engage Iran, producing a series of both carrots and sticks. And he takes us inside the hotel suites where the 2015 nuclear agreement was negotiated, offering a frank assessment of the uncertain future of the U.S.-Iran relationship. This is a book rife with revelations, from the secret communications between the Obama administration and the Iranian government to dispatches from the front lines of the new field of financial warfare. For readers of Steve Coll's Ghost Wars and Lawrence Wright's The Looming Tower, The Iran Wars exposes the hidden history of a conflict whose outcome could have far-reaching geopolitical implications.

This award-winning study traces the shifting relations between Israel, Iran, and the U.S. since 1948—including secret alliances and treacherous acts. Vitriolic exchanges between the leaders of Iran and Israel are a disturbingly common feature of the news cycle. But the real roots of their enmity mystify Washington policymakers, leaving no promising pathways to stability. In Treacherous Alliance, U.S. foreign policy expert Trita Parsi untangles the complex and often duplicitous relationship among Israel, Iran, and the United States from 1948 to the present. In the process, he reveals shocking details of unsavory political maneuverings that have undermined Middle Eastern peace and disrupted U.S. foreign policy initiatives in the region. Parsi draws on his unique access to senior American, Iranian, and Israeli decision makers to present behind-the-scenes revelations that will surprise even the most knowledgeable readers: Iran's prime minister asks Israel to assassinate Khomeini; Israel reaches out to Saddam Hussein after the Gulf War; the United States foils Iran's plan to withdraw support from Hamas and Hezbollah; and more. Treacherous Alliance not only revises our understanding of the recent past, it also spells out a course for the future. An Arthur Ross Book Award Silver Medal Winner A Choice Magazine Outstanding Academic Title

A founder of a leading private intelligence company offers a geopolitical, inside analysis of the truth about America's true foreign policy in Afghanistan, Iraq, and other locations around the world, examining covert and overt efforts in the global war against terrorism, the unreported factors that led to the invasion of Iraq, and other important events. Reprint. 20,000 first printing.

The must-read summary of Ronen Bergman's book: "The Secret War in Iran: The 30-Year Clandestine Struggle Against the World's Most Dangerous Terrorist Power". This complete summary of "The Secret War in Iran" by Ronen Bergman, an Israeli investigative journalist, presents the writer's revelation of Iran's support for terrorism and the infiltration of Iranian terrorists into America. He explores the emergence of evil and terrorism from Iran and the CIA and Mossad's current success in thwarting it. Added-value of this summary: • Save time • Understand Iran's role in contributing to the terrorist threat • Expand your knowledge of politics, international relations and intelligence services To learn more, read "The Secret War with Iran" and discover how the CIA and Mossad have worked together to reduce the threat of terrorism from within Iran.

From the #1 New York Times bestselling creators of Op-Center comes a different kind of law enforcement. In the year 2010, computers are the new superpowers. Those who control them control the world. To enforce the Net Laws, Congress creates the ultimate computer security agency within the FBI: Net Force®. Minor viruses are eating away at the Net Force computers. The e-mail shut-downs and flickering monitors

are hardly emergencies—but they've been keeping the tech department hopping. Same with the sudden rash of time-consuming lawsuits. No one in Net Force has a moment to spare, which is exactly the way Mitchell Townsend Ames wants it. Because when the shadowy mastermind launches his master plan, he wants Net Force to be looking the other way...

While many now fear a looming war with Iran, few know that this war is already raging and has been doing so for the past three decades. Starting from the aftermath of the Iranian revolution, intelligence expert Ronen Bergman details the complex array of political manoeuvring, assassination attempts, arms trading, and suicide bombs that have characterised the secret war between Iran and the intelligence services of Israel and the United States. Drawing on interviews with a plethora of intelligence agents from all sides, this is a riveting exploration of the growing influence of Iran in the Middle East, and the covert activities of the CIA and Mossad to tackle Iran and its political ambitions.

Nixon, Kissinger, and the Shah offers a detailed account of three key historical episodes in the Nixon-Kissinger-Pahlavi partnership that shaped the global Cold War far beyond Iran's borders. It examines the emergence of Iranian primacy in the Persian Gulf as the Nixon administration looked to the shah to fill the vacuum created by the British withdrawal from the region in 1971. It then turns to the peak of the partnership after Nixon and Kissinger's historic 1972 visit to Iran, when the shah succeeded in drawing the United States into his covert war against Iraq in Kurdistan. Finally, it focuses on the decline of the partnership under Nixon's successor, Gerald Ford, through a history of the failed negotiations from 1974 to 1976 for an agreement on U.S. nuclear exports to Iran. Taken together, these episodes map the rise of the fall of Iran's Cold War partnership with the United States during the decade of superpower détente, Vietnam, and Watergate.
