Stefan Zweig's masterpiece revisited.

I had never heard of Zweig until six or seven years ago, as all the books began to come back into print, and I more or less by chance bought a copy of Beware of Pity. I immediately loved this book, his one, big, great novel - and suddenly there were dozens more in front of me waiting to read.' Wes Anderson The Society of the Crossed Keys contains Wes Anderson's selections from the writings of the great Austrian author Stefan Zweig, whose life and work inspired The Grand Budapest Hotel . A CONVERSATION WITH WES ANDERSON Wes Anderson discusses Zweig's life and work with Zweig biographer George Prochnik. THE WORLD OF YESTERDAY Selected extracts from Zweig's memoir, The World of Yesterday, an unrivalled evocation of bygone Europe. BEWARE OF PITY An extract from Zweig's only novel, a devastating depiction of the torment of the betrayal of both honour and love. TWENTY-FOUR HOURS IN THE LIFE OF A WOMAN One of Stefan Zweig's best-loved stories in full - a passionate tale of gambling, love and death, played out against the stylish backdrop of the French Riviera in the 1920s. ' The World of Yesterday is one of the greatest memoirs of the twentieth century, as perfect in its evocation of the world Zweig loved, as it is in its portrayal of how that world was destroyed.' -- David Hare ' Beware of Pity is the most exciting book I have ever read... a feverish, fascinating novel' -- Antony Beevor 'One of the joys of recent years is the translation into English of Stefan Zweig's stories.' -- Edmund de Waal, author of The Hare with the Amber Eyes Stefan Zweig was born in 1881 in Vienna. He studied in Berlin and Vienna and, between the wars was an international bestselling author. With the rise of Nazism, he left Austria, and lived in London, Bath, New York and Brazil, where in 1942 he and his wife were found dead in an apparent double suicide. Wes Anderson's films include Bottle Rocket, Rushmore, The Royal Tenenbaums, The Life Aquatic, The Darjeeling Limited, Fantastic Mr Fox, and Moonrise Kingdom. He directed and wrote the screenplay for The Grand Budapest Hotel.

Originally published in 1970, Roald Dahl's Fantastic Mr. Fox tells the story of the Fox Family. After twelve years, the Fox Family's quiet home life proves too much for Mr. Fox's natural animal instincts. When his young nephew arrives, Mr. Fox slips back into his old ways as a smart bird thief and,

in doing so, endangers not only his beloved family, but the whole animal community as well. In Fall 2009, audiences will cheer as award-winning director Wes Anderson (Rushmore, The Royal Tenenbaums, The Darjeeling Limited) brings us his take on the tale: a blockbuster stop-motion animation film shot entirely in high definition. Starring the voice talents of George Clooney (Michael Clayton), Meryl Streep (Doubt), Bill Murray (Lost in Translation), and Jason Schwartzman (Marie Antoinette), the movie is sure to please fans of the original story as well as enchant new generations. Fantastic Mr. Fox: The Making of the Motion Picture is a family-friendly behind-the-scenes look at the creation of the film. Filled with photos, script pages, storyboards, and interviews with cast and crew, this book is a delightful and intriguing peek at the magic that happens as the filmmakers bring to life one of children's literature's most beloved characters: the outrageous, audacious, Fantastic Mr. Fox.

(Book). The Grand Budapest Hotel recounts the adventures of Gustave H (Ralph Fiennes), a legendary concierge at a famous European hotel between the wars, and Zero Moustafa (Tony Revolori), the lobby boy who becomes his most trusted friend. Acting as a kind of father figure, M. Gustave leads the resourceful Zero on a journey that involves the theft and recovery of a priceless Renaissance painting; the battle for an enormous family fortune; a desperate chase on motorcycles, trains, sledges and skis; and the sweetest confection of a love affair all against the backdrop of a suddenly and dramatically changing Continent. Inspired by the writings of Stefan Zweig, The Grand Budapest Hotel recreates a bygone era through its arresting visuals and sparkling dialogue. The charm and vibrant colors of the film gradually darken with a sense of melancholy as the forces of history conspire against our hero and his vanishing way of life. Written and directed by Wes Anderson, whose films include The Royal Tenenbaums , Moonrise Kingdom , and Fantastic Mr. Fox . The film also stars Jude Law, Tilda Swinton, Edward Norton, Jeff Goldblum, Harvey Keitel, Adrian Brody, Saoirse Ronan, Lea Seydoux, Bill Murray and Owen Wilson.

"This release is an important contribution to the literary discourse about women's lives, sexuality, politics and popular culture in early 20th-century Russia." –Publishers Weekly One of the most sensationally popular and influential of all pre-Revolutionary novels, *Keys to Happiness* is set against a panorama of Russian society on the eve of World War I. It tells the stormy tale of Manya Yeltsova, a Russian "new woman" who pursues her dreams and passions as a dancer and free spirit who captivates, among others, a Jewish socialist tycoon and a reactionary Russian nobleman. At the time of its publication, the novel crossed the boundaries of both gender and class to define a new type of literature in Russian society. The editors' informative introduction places the novel within its cultural, political, and social context and makes clear for today's readers its literary and historical importance.

A casual introduction, a challenge to a simple game of chess, a lovers' reunion, a meaningless infidelity: from such small seeds Zweig brings forth five startlingly tense tales--meditations on the fragility of love, the limits of obsession, the combustibility of secrets and betrayal. To read anything by Zweig is to risk addiction; in this collection the power of his writing--which, with its unabashed intensity and narrative drive, made him one of the bestselling and most acclaimed authors in the world--is clear and irresistible. Each of these stories is a bolt of experience, unforgettable and unique. Five of Stefan Zweig's most powerful novellas, containing some of his most famous and best-loved work: • Burning Secret • A Chess Story • Fear • Confusion • Journey into the Past (Stand alone paperback editions of individual novellas from Pushkin and New York Review of Books will remain in print.)

Wes Anderson's films can be divisive, but he is widely recognized as the inspiration for several recent trends in indie films. Using both practical and theoretical lenses, the contributors address and explain the recurring stylistic techniques, motifs, and themes that dominate Anderson's films and have had such an impact on current filmmaking.

Much more than the typical vacation destination, Key West combines a free-spirited ambiance with magnificent coral reefs, a unique historic legacy with an enduring artistic sensibility. For centuries, explorers and adventurers, immigrants and entrepreneurs, artists and wanderers have come to the island oasis, and today Key West, a city like no other, is home to them all. Through hurricanes, fires, labor strikes, and the tourism boom, the community of Key West has sustained a unique way of life and attracted a wide variety of people to its shores, including such famous figures as writers Ernest Hemingway and Tennessee Williams, President Harry Truman, and musician Jimmy Buffett. Whether strolling through the downtown historic district, searching eclectic shops for one-of-a-kind treasures, enjoying a piece of key lime pie, or participating in the look-alike contest during Hemingway Days, Key West offers endless opportunities for pleasure. The landmarks, the people, and the continuing story of Key West are the entertaining subject of this new photographic tribute.

"Full of dark mystery and unexpected twists." –Meg Kassel, author of Keeper of the Bees A sound awakens her. There's darkness all around. And then she's

falling... She has no idea who or where she is. Or why she's dead. The only clue to her identity hangs around her neck: a single rusted key. This is how she and the others receive their names—from whatever belongings they had when they fell out of their graves. Under is a place of dirt and secrets, and Key is determined to discover the truth of her past in order to escape it. She needs help, but who can she trust? Ribbon seems content in Under, uninterested in finding answers. Doll's silence hints at deep sorrow, which could be why she doesn't utter a word. There's Smoke, the boy with a fierceness that rivals even the living. And Journal, who stays apart from everyone else. Key's instincts tell her there is something remarkable about each of them, even if she can't remember why. Then the murders start. Bodies that are burned to a crisp. And after being burned, the dead stay dead. Key is running out of time to discover who she was—and what secret someone is willing to kill to keep hidden—before she loses her life for good...
