Lincoln Rhyme and his partner Amelia Sachs return in this gripping thriller to investigate the assassination of a U.S. citizen in the Bahamas. It was a "million-dollar bullet," a sniper shot delivered from over a mile away. Its victim was no ordinary mark: he was Robert Moreno, a man known to have strong anti-American sympathies, and seemingly assassinated by the US government. The nation's most renowned investigator and forensics expert, Lincoln Rhyme, is drafted to investigate. While his partner, Amelia Sachs, traces the victim's steps in Manhattan, Rhyme leaves the city to pursue the sniper himself. As details of the case start to emerge, the pair discovers that not all is what it seems. When a deadly, knife-wielding assassin begins systematically eliminating all evidence-including the witnesses-Lincoln's investigation turns into a chilling battle of wits against a cold-blooded killer.

DANGEROUSLY GOOD. DISTINCTIVELY DEAVER. Lincoln Rhyme and Amelia Sachs return to New York City to confront a killer terrorizing couples at their happiest--and most vulnerable. In the early hours of a quiet, weekend morning in Manhattan's Diamond District, a brutal triple murder shocks the city. Lincoln Rhyme and Amelia Sachs quickly take the case. Curiously, the killer has left behind a half-million dollars' worth of gems at the murder scene, a jewelry store on 47th street. As more crimes follow, it becomes clear that the killer's target is not gems, but engaged couples themselves. The Promisor vows to take the lives of men and women during their most precious moments--midway through the purchase of an engagement ring, after a meeting with a wedding planner, trying on the perfect gown for a day that will never come. The Promisor arrives silently, armed with knife or gun, and a time of bliss is transformed, in an instant, to one of horror. Soon the Promiser makes a dangerous mistake: leaving behind an innocent witness, Vimal Lahori, a talented young diamond cutter, who can help Rhyme and Sachs blow the lid off the case. They must track down Vimal before the killer can correct his fatal error. Then disaster strikes, threatening to tear apart the very fabric of the city--and providing the perfect cover for the killer to slip through the cracks.

In his classic thriller The Bone Collector, Jeffery Deaver introduced readers to Lincoln Rhyme-the nation's most renowned investigator and forensic detective. Now, a new killer is on the loose: a criminal inspired by the Bone Collector. And Rhyme must untangle the twisted web of clues before the killer targets more victims-or Rhyme himself. The killer's methods are terrifying. He stalks the basements and underground passageways of New York City. He tattoos his victims' flesh with cryptic messages, using a tattoo gun loaded with poison, resulting in an agonizing, painful death. When a connection is made to the Bone Collector-the serial killer who terrorized New York more than a decade ago-Lincoln Rhyme and Amelia Sachs are immediately drawn into the case. Rhyme, Sachs, and the NYPD must race against time to answer the many questions the investigation uncovers: Whom will the killer attack next? What is the message behind the victims' tattoos? Does the killer's own inking--a fanged centipede sporting a woman's face--hold any significance? And what is his ultimate mission? As time runs out, Rhyme discovers that the past has returned to haunt him in the most troubling way imaginable...
