up, and he can't help but feel that they're not meant to. When a body turns up showing all the signs of a mafia hit, the inspector knows he must excavate the truth from what he is being led to believe. Meanwhile there's a case that keeps winding its way back to Montalbano's office. A locked door has suddenly appeared on a farmer's disused shed, and then, just as quickly, the door disappears. The anti-terrorist police soon intervene, but why are they so keen to keep this away from the inspector? And why does he sense that this case is connected to him somehow? With deceit at every turn and a distraction of the heart taking over his head, Inspector Montalbano must focus if he is ever going to solve this mystery.

PRAISE FOR THE SERIES "A magnificent series of novels" Sunday Times "There's a deliciously playful quality to the mysteries Andrea Camilleri writes about a lusty Sicilian police detective named Salvo Montalbano." New York Times Book Review "Camilleri as crafty and charming a writer as his protagonist is an investigator." The Washington Post "The books are full of sharp, precise characterizations and with subplots that make Montalbano endearingly human ... Like the antipasti that Montalbano contentedly consumes, the stories are light and easily consumed, leaving one eager for the next course." New York Journal of Books "This series is distinguished by Camilleri's remarkable feel for tragicomedy, expertly mixing light and dark in the course of producing novels that are both comforting and disturbing." Booklist

"The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily." —Donna Leon Montalbano investigates the death of wealthy accountant Barletta in a case involving a string of mistresses and family secrets. Inspector Montalbano enjoys simple pleasures: delicious food, walks along the water, the occasional smoke—yet these are just the backdrop to his duties as a detective. His latest case is the killing of the wealthy Cosimo Barletta. Thought to be a widower living out a quiet life by the sea, Cosimo's sudden death, by gunshot to the neck, opens up his past to scrutiny. What Montalbano uncovers is Cosimo's trove of salacious photographs, used to extort young women, and a history full of greed and corruption. Montalbano, though resolved to find the killer, muses on where justice lies—in his pursuit of a suspect or with one of Cosimo's innumerable victims getting the revenge they deserved?

"When Dr. Caryn Dryden is found floating dead in her hot tub, her husband becomes the prime suspect. Gina Roake takes the case and feels her client's innocence will be easy to prove since he was at his cabin on Echo Lake that weekend."--From source othert
