Prophecy spoken. Alliances broken. Will duty come before love? The Viking's Captive is the exciting sequel to The Viking's Chosen by USA Today Bestseller Quinn Loftis. Torben is faced with a terrible choice: rescue the woman he loves from the clutches of a madman, or save his people from attack by a ruthless foreign invader. He longs to save Allete, especially since the clan's oracle has prophesized that she will become his queen and help unite the clans. But if saving the princess means abandoning his clan, the choice would be unconscionable. Torben races across land and sea on a collision course with Magnus, Allete's kidnapper and Torben's former king. Their meeting will change the fate of Clan Hakon—either saving it from destruction or splintering it forever. Will Torben be able to rescue Allete before Magnus' actions ruin them all? Or will Cathal find the princesses first, enslaving them and using them for his own twisted purposes? Swords will clash and arrows will fly before the fate of Allete and Torben is finally decided. Novels in The Clan Hakon Series Include: The Viking's Chosen (February 12,

Thorvald Longsword can't believe all he has to do is kidnap the daughter of his jarl's enemy to get his land back. Easy. But when he finally snatches the princess up and tosses her over his shoulder, the beautiful spitfire makes him question his determination to get his land back at any cost. Alodie gladly agrees to impersonate the princess so the bloodthirsty Northmen will take her instead. While Alodie might be ready to die for her people, she wasn't prepared for how her pulse races for the maddeningly noble captor whom she'd just as soon hate. But what happens when Thorvald finds out she's not who she says she is...

The prophesy must be fulfilled. His orders are clear: launch a raid against England and bring home the spoils of war. But the prophecy is also clear: General Torben will take a foreign bride—one who is a seer and healer just like his mother. The eldest princess of England is said to be just that—a beautiful, charming, and headstrong woman. But he's a Viking army general and she's an English princess—and one who is already promised to the king of Tara. Two worlds collide in this epic historical fiction centered on an undeniable chemistry that smolders against the odds. Richly written and injected with moments of humor, this action-packed romantic tale will leave you breathless.
